GENIUS MAPS[†] GETTING THE RIGHT IN-APP PURCHASES

Download the Genius Maps app by searching "Genius Maps" within your respective app store:

From **Genius Maps'** welcome screen, click on the menu icon (three lines at the bottom right).

1

From the main menu, select "**Settings**".

From the settings menu, select "**Pro-Guidance**".

3

Choose your **home region** and select the **desired area**.

Click on the blue square to purchase the "**Pro Guidance**" in-app purchase.

ONCE COMPLETED, GO BACK TO THE SETTINGS MENU. 1

From the settings menu, select "**Car Connectivity**".

Settings	\diamond		
Buy Pro Guidance to continue using turn-by-turn voice instructions, speed alerts, lane assistance and more.
