Dry Weight	668 lb / 303 kg	739 lb / 335 kg

### Warranty

BRP limited warranty covers the watercraft for one year.

\*Electronic brake, neutral and reverse.

## Feature Highlights

**iBR®** (Intelligent Brake & Reverse)

Exclusive to Sea-Doo®, iBR® stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.

**Rotax® 900 ACE™ - 90 / 1630 ACE™ - 130**

The Rotax® 900 ACE™ - 90 gives crisp acceleration with impressive fuel economy and for those who want added performance, the extra horsepower of the 1630 ACE™ - 130 is all about fun and acceleration.

**Large Front Storage**

An impressive 40 gallons of sealed storage space allows riders to safely stow belongings while riding.

**Swim Platform with Integrated LinQ™ System**

Exclusive quick-attach system on a large swim platform that allows for easy installation of accessories.

**ECO® Mode**

This exclusive Sea-Doo® feature optimizes power output for up to 46% improved fuel efficiency.<sup>1</sup>

**Polytec™ GEN 2 Hull**

Specifically designed to meet the needs of recreational riders, the Polytec GEN 2 material is highly robust and scratch-resistant, and reduces overall vehicle weight to improve efficiency.

## Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.
